Next Steps

- ☐ Log onto the OhioMHAS iPortal SOR/SOS app. Start a new interview and enter the GPRA data. You will need this form, the GPRA Tool, Consent Form, Full Locator Form, and Gift Card Mailing Information Form.
- ☐ Data should be entered in as close to real time as possible. Aim to enter data within 1 day but no later than 7 days after the GPRA interview is conducted. If you have someone else entering the GPRA interview, think about a workflow that allows them to receive the data in enough time for this data entry requirement.
